What you need to bring

- The Team (no more than 4 people incl model and make up artist. Please note: all color application needs to have been carried out prior to the day and please remember your model should be the same one you put forward in your initial application)
- Any tools you need
- Any styling products you will be using (please note: only Redken products are allowed to be used)
- Clothes, accessories for your model to wear to complete his/her total

Considerations

- All team members must be the same as at the photographic entry stage and regional final judging day.
- The model, hair color, hair style, clothes and make-up must remain the same as Regional final judging day. Redken will monitor this as follows: Models at Regional Final judging day stage will be photographed both close up and full length. At the Redken connects event the models will be examined by Redken; if models are not exactly the same as at the Regional final judging day entrants will be given the opportunity to correct the look on the spot. If entrants are unable to do this they will be instantly disqualified.
- All competitor team members will be given free entry to their designated Regional Redken Connect event. These tickets are not transferrable.
- All hair color application must be completed prior to arriving at the Regional venue. There is no provision for entrants to color hair at the venues.
- Entrants will be required to recreate their exact look produced at the Regional final judging day.
- Models should be dressed prior to the Redken Connects event start.
- The models will have a catwalk rehearsal before the show that they will perform later that evening at the Redken Connects event.
- By 5.00pm the competitors must ensure their models hair is finished and leave their model backstage, who will later perform a catwalk. The rest of the team will be able to go and watch the Redken Connects event in the audience.
- The model may not leave the backstage area during the Redken Connects event.
- No smoking or drinking is allowed during the Redken Connect event.
- During the first half of the Redken Connects event the model will be expected to perform a brief catwalk to showcase the look to the audience.
- During the second show all contestant must collect their models from backstage area and take their designated seats at the front of the audience to await the regional winner announcement.
- The regional winner(s) will be announced towards the end of the Redken Connects event and will proceed through to the Grand Final.
